President's Article

Jeff LeMere

October 2013

First off I would like to thank the WNY Association of Plumbing Mechanical Contractors, Joe Marchitte, President, the entire PMCA Board, Chris Tryjankowski & Bob Philips, Board Members and Golf Tournament Chairmen and all the volunteers for the Great Job they did organizing the Second WNY PMCA / Buffalo-Niagara ASPE Joint Golf Outing, held August 12 at Wanakah CC – Just an Outstanding Event!

Next, I would like to thank all those in attendance at the September Joint Meeting with the Niagara Frontier Chapter of ASHREA. The presentation, by Mr. Jerome R. Meyer, CWT, owner of M.I.S. of America, Inc. on 'Controlling the Risk of Legionnaires Disease' was very informative and also worth (1) PDH credit.

Would also like to thank Mr. Stephen M. Yager, President of the Niagara Frontier Chapter of ASHRAE, for all his time and efforts in setting up this joint meeting.

Our next General Meeting is scheduled for Wednesday October 9, 2013 at the Eagle House Rest. Starting at Noon. The presentation will be on "Overview of Water-Based Fire Protection Systems at a Linerboard Paper Mill". There are a various number of issues to be addressed for this type of occupancy. The presenters will be from the Society of Fire Protection Engineers – New York Empire Chapter which include: Michael J. Klemenz, PE, SFPE Principal/Fire Protection Engineer, Josh Bemb, Project Manager Davis-Ulmer Sprinkler Co., Inc. and Rich Hooten, CET FP Design and Consulting, LLC.

As mentioned many time before, this chapter of ASPE is here for you...should you have a topic that You would like us to get a presentation together for, please let one of us know and we will do our best to make it happen.

Hope to see you all on Wednesday Oct. 9, 2013 - Noon at the Eagle House.
